

If anyone were to guess that sweet, shy Lady Esme had been secretly penning scandalous stories, she would never be able to show her face in London again! Fortunately, her good friend, bestselling author Jennifer Haymore, can reveal her passionate tale of obsession and seduction ... Sir Devlin Vaughn will never forget the sweet, sensual pleasures of his beloved Jewel. Charmingly naive in the ways of love, she had blossomed under his guidance to become the most skilled lover a man could ever desire. And desire her he did - especially after she disappeared, leaving him alone and longing for her touch. Now, Devlin will do anything to get her back. Even kidnap her ... Julia Beaumont will never forget the man who unlocked her deepest desires and made her crave things no decent woman should. Fearing she would never be more than his mistress, she left, vowing never to see him again - until one reckless night, when a stranger in black appears from the shadows and sweeps her away to his bedroom chamber. Now, she will be his courtesan, his captive, his slave. Can she free herself from Devlins thrall, or will their passion be her ultimate undoing?
