

Women are armed with fans as men with swords, and sometimes do more execution with them.--The Spectator, 1711Fans have existed for at least five thousand years in cultures as diverse as ancient Egypt, India, and China. Arguably the most fascinating ornament in fashion, the fan has a deep and colorful history. The Fan is a visual celebration of the fan through time, richly illustrated with art culled from the worlds premier fan museums and private collectors and with original photography. In an engaging overview of the fan throughout history, fashion curator Valerie Steele discusses the development of the fan, famous fans, fan artisans, and the fans function at its height of glory during the eighteenth century and the Belle Epoque. The Fan is a beautiful, informative, and entertaining introduction to one of the most compelling fashion accessories of all time.

Scornfully Yours (Torn) (Volume 1), New Jersey Lighthouse Calendar 2008, Antenna Theory and Design, William Bouguereau: Paintings, Keeker and the Springtime Surprise: Book 4 in the Sneaky Pony Series (Keeker and the Sneaky Pony) (Bk. 4), The Cat and the Cook and Other Fables of Krylov, Darkfire: A Book of Underrealm, Wicked (Reluctant Brides Trilogy) (Volume 1), William the Conqueror: Illustrated (History Alive Book 26),
