

In this important book, Attorney Stuart A. Carpey outlines the major factors which contribute to motorcycle accidents. He discusses the most common injuries which result from motorcycle accidents. He also offers insight into:

- The various types of insurance coverage you should purchase
- How to protect yourself and your family by making the right choices when purchasing motorcycle insurance, regardless of what the insurance agent wants to sell you
- What to do following a motorcycle accident
- What you can do to record evidence from the scene of an accident that can assist you if you later decide to bring a personal injury claim
- Why you shouldn't and have no obligation to speak to the other guy's insurance company following an accident

If you are a motorcycle rider living in Pennsylvania, this book is essential for you. It is written in plain English to educate riders and their families about their legal rights if they've been injured due to the negligence of someone else on the road.
