

Tom Edwards celebrates what others may call the miseries of golf in this hilarious book of golfing verse. Edwards is no stranger to the game as is evidenced in the wide range of golf scenarios this volume explores. From the loss of balls (many balls!) to the horrors of the traps and everything in between, these poems expound on the frustrations as well as the joys of golf. Tom Edwards deftly captures the love/hate relationship many players experience with the game. And he does it with great good humor and style.
