

In the evocative tradition of Donna Tartt's first novel, *The Secret History*, comes this accomplished debut of youthful innocence drowned by dark sins. Twenty years ago, Jane Hudson left the Heart Lake School for Girls in the Adirondacks after a terrible tragedy. Now she has returned to the placid, isolated shores of the lakeside school as a Latin teacher, recently separated and hoping to make a fresh start with her young daughter. But ominous messages from the past dredge up forgotten memories that will become a living nightmare.
