

The Last Christmas Ride is an inspiring story of a woman who overcomes heartbreak and adversity through faith and family and emerges stronger than ever. It reminds us that all of us have obstacles on our life journey, and we must try to experience and share the joy of life along the way. The story begins with the four Blackburn children in an idyllic setting on a northern Alabama farm. Their days are filled with horse riding, wild adventures, elaborate fantasies, and climbing to the top of a nearby Indian mound to dream about their futures. They can hardly anticipate what will happen to them. Despite the most overwhelming tragedies, The Last Christmas Ride is an uplifting story based on actual people and events.
