

Nineteen-year-old Georgia survived four years of forced prostitution and drug addiction by clinging to the false hope that her brothersâ€™ unaware of her existenceâ€™ would one day rescue her. The last thing Blackie, Judd, and Rebel McCassey expect to discover when they catch a young girl loitering in front of their garage, is that sheâ€™s their younger, half-sister. Immediately, they want to help Georgia overcome her addiction and bring her into the family fold, despite her adamancy that she isnâ€™t good enough to be a McCassey. Used to handling things their own way, the brothers soon realize that this time, they canâ€™t fix things by throwing powerful right hooks, firing semi-automatic weapons, or simply saying, â€˜no worriesâ€™. This time, they need an outsiderâ€™s help. But Georgiaâ€™s skeptical, and doubt consumes her as her strength and confidence falter. Georgia knows her brothers will fight for herâ€”but will she fight for herself?
