

If you have eaten a fresh garden tomato or crunched a fresh pea pod right out of the garden, then you know that nothing compares to home grown vegetables. Kimberly Byrne helps take the back-breaking work out of gardening so you can spend more time enjoying the fruits of your labor and less time laboring. In this collection you'll find three of Kimberly Byrnes most popular gardening books: - The Low-Maintenance Raised Bed Gardening Book - The Low-Maintenance Greenhouse Gardening Book - The Low-Maintenance Container Gardening Book. All three of these books are designed to make your gardening easier, more productive and more fun.
