

For Emily: She never would've imagined her knight in shining armor is a bounty hunter. He's too bastardly wicked to walk only the right side of the law. Granted, he's hot and sexy as hell, but when he surrenders to the nature of his beast, he's more terrifying than a scary monster. Her brain tells her to run. Her body wants her to stay. But why does her heart ache when he's in danger? For Rovik: He never believed in love at first sight, and yet, the moment he laid eyes on her, he knows he must have her. Save her. She's a runaway bride and the man she was forced to marry doesn't deserve her, but will stop at nothing to get her back. Including bringing in the whole clan to take down Rovik. True mates are real, and he plans to convince her that nothing on earth could stop him from making her his. Forever! Author note: This story contains graphic dragon-on-dragon violence, a runaway bride who drives like a homicidal maniac, and a young dragon king who thinks every problem in the world can be solved with an orgasm.
