

To the Other Fellow :H ere is a book written for you. It is also a book about you. Don tread it all at once, as I did. Take it a chapter or a page or a thought or a rhyme at a time. When you think the author is too blunt, think again. When you think him harsh, take a square look at yourself and the world you know. When you think him bitter, ask yourself if it is not a wholesome bitterness, I have known Dick Lewis a long time and I never knew him to speak smooth things just in order to please. He believes the other fellow needs to be waked up. Is he right? Then, my dear other fellow, get out into life and take the part of some other fellow still.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
