

With in-depth guidance in the grammar, style, and rhetoric of American academic English, The Ready Reference Handbook, Fourth Edition, suits a range of learners and learning styles, including traditional students and students whose primary language is not English. Easy to use and always encouraging, this handbook provides students with the ultimate quick reference guide for any writing situation. This comprehensive handbook contains many helpful pedagogical features including quick-reference How-to... boxes that guide students through the activities of writing, revising, and editing and Focus On... charts on each tabbed divider that direct students to the topics in corresponding sections. Students receive the most up-to-date information on MLA documentation with the enclosed tri-fold card providing NEW 2009 MLA Handbook formats.
