

Drawn from Lelands Aradia or Gospel of the Witches, Hohmans Pow-Wows, Lady Wildes Ancient Legends, Mystic Charms, and Superstitions of Ireland and other classic traditional sources (including the complete text of T.F. Thiselton-Dyers The Folk-Lore Of Plants!), every word in The Samhain Song Press Ultimate Grimoire and Spellbook of Real Ancient Witchcraft was penned half a century or more before Gerald Gardners 1950s release of Witchcraft Today, the book that is credited with having launched the modern Wiccan tradition. This is a true pre-Wiccan witchs spell book filled with clear instructions for making magick happen, for cursing and curing, binding a lover, recovering stolen objects, conjuring prophetic dreams - every imaginable use of the supernatural arts. It is at once a practical guide to magick the way our ancient ancestors understood it, and a mesmerizing window into their Most Un-Fluffy true beliefs and way of life.
