

How to get through divorce while helping children cope with divorce and life after divorce. This handbook is for divorced parents who desire to make sure that their children are all right following divorce and the whole divorce process. This book is not only about children of divorce, it also looks at life after divorce for men and women and gives some information on what to expect when going through divorce and how to handle the emotions and challenges that accompany the divorce process or life after divorce filing has happened. The handbook on helping children cope with divorce covers such topics as: - The effects of divorce on children or how divorce affects children - Coping with divorce for children and young people - Coping and dealing with divorce with emotions during divorce - Co-parenting with an angry ex - How to tell children about divorce - The effects of divorce on children or how divorce affects children - Should I worry about my children? - When to be concerned about your children and what to do - Are you the toxic parent in your co-parenting plan? - High-conflict divorces – protecting your child - Link to a Toxic Parent PDF infographic
