

A curiously dated child's suitcase arrives, unannounced and unexplained, in a modern-day Washington suburb. A week later, American genealogist Jefferson Tayte is sitting in an English hotel room, staring at the wrong end of a loaded gun. In his latest journey into the past, Tayte lands in wartime Leicestershire, England. The genealogist had hoped simply to reunite his client with the birth mother she had never met, having no idea she had been adopted. Instead, he uncovers the tale of a young girl and an American serviceman from the US 82nd Airborne, and a stolen wartime love affair that went tragically wrong. With *To the Grave*, Steve Robinson confirms his status as a master of the taut and delicately constructed historical thriller. This is the second book in the Jefferson Tayte mystery series, which begins with *In the Blood* but can be enjoyed as a stand-alone story. Revised edition: Previously published as part of the Jefferson Tayte Genealogical Mystery series, this edition of *To the Grave* includes editorial revisions.

Luna Proxy #5 (Werewolf / Shifter Romance), Place of the Heart, One Hand Clapping, A Brio Grinder [The OHagan Way 4] (Siren Publishing Menage Amour ManLove), Herakles the Slave (The Legend of Herakles Book 15), Tales of Terror and Mystery, Stealth (Slasherton Book 3), Addictions: Gambling, Smoking, Cocaine Use, and Others, Der Totschlager (German Edition),
