

Triplicity is a bonanza volume that brings together a trio of ingenious full-length novels: Echo Round His Bones. The invention of the matter transmitter had given the U.S. an edge in a Cold War that was on the verge of becoming hot. The Soviet Unions nuclear installations on the moon abruptly ceased to be a threat, since the U.S. Army had transmitted its arsenal to Mars, and could deploy those weapons anywhere instantaneously. Captain Hansard was aware of the strategy, but knowing the military bureaucracy as he did, he never expected to get involved firsthand. He was oblivious to the fact that transmission produced a peculiar and unpleasant side effect. But on that score, he wised up fast. The Genocides. Anderson, a farmer, called them simply the Plants. They were all identical--600 feet tall at maturity, with smooth green trunks and huge leaves. Their spores had entered Earths atmosphere seven years earlier, and within days the entire world was covered with a rich green carpet of seedlings. But the Plants were destroyers, using up the planets soil and water, and giving nothing in return. Anderson refused to yield to the bizarre invasion. Placing his faith in God, he resolved to beat the Plants at their own game. And sure enough, although small towns and big cities succumbed, Anderson and his clan continued to survive. The Puppies of Terra. The Masters arrived in the late 20th century--godlike entities who regarded humans as mere pets to be pampered and played with. Most men and women flocked to the kennels eagerly, because the leash by which the Masters controlled their pets gave pleasures and abilities that undomesticated humans could never hope for. But not everyone was content with the situation, and gradually the dissenters and rebels began to band together to fight for their freedom ... .

Triplicity Festival, Planet Earth. K likes. TRIPPLICITY - WELCOME TO THE PSYCHEDELIC PLAYGROUND. It is the nativity of a 'distinguished' person born in 50 AD. The nativity is nocturnal so recourse is to the Moon and its triplicity rulers. Because the Moon is in Cancer by night the triplicity rulers are Mars, then Venus, then the Moon. In astrology a triplicity is a division of the 12 signs of the zodiac into a specific group of three. Since there are 12 signs, they can be divided evenly into four sets of three, which are referred to collectively as the triplicities.

The triplicities, like the terms, are essential dignities that have two principal systems accepted by astrologers. There is Ptolemy, and then Greeks like Dorotheus.

Triplicity is a fast paced and dynamic collectible card game in a stylized world of puzzles. Triplicity is a fully immersive psychedelic music and arts festival taking May 23, - May 27, Triplicity Festival.
