

Standalone Police Romance Officer Kara Price has recovered from her injury and is back doing what she loves best, patrolling the streets of Westwood Harbor, praying that she never hears from her stalker again. But when her neighbor sees a man lurking outside her home, her partner finally forces her to take the case to the detectives. Her attention is distracted by a confident, cocky, gorgeous business owner who sets his sights on her and won't take no for an answer. Within days, her stalker turns from slight annoyance, to imminently dangerous, pulling her attention back to her current crisis. When the investigating officer suspects her new boyfriend is her stalker, Kara balks immediately. But when what they uncover in the investigation lands him in jail, Kara is torn between her heart and her safety. As her life spins out of control she holds tight to the hope that both of them will make it out of this alive and out from under suspicion. Heat level: moderate.
