And the two most powerful angels in history are there whenever she turns around"Gabriel seducing her, and Michael pushing her away. Worse, Ronnie's in danger of falling for Michael. Not a good idea"because demons and angels don't date. Ronnie's struggling to keep her sanity and job, while stopping the voice in her head from stealing her life. She almost misses the boredom of retrieval analysis at Ubiquity. Almost. Publishers Note: This book was previously released as Uriels Fall under Allyson Lindt's pen name, Loralie Hall.
