

La historia comienza cuando Vega, junto con Delph y Harry Dos estan en el Quag y escapan por los pelos de un ataque de los Wugs de Wormwood. Usando las habilidades magicas de Vega Jane, los tres intrepidos viajeros atraviesan los cinco circulos del Quag y se encuentran con varios de sus habitantes, algunos buenos y algunos muy, muy malos. A medida que Vega madura, su relacion con Delph es puesta a prueba, al igual que lo es su comprension del mundo. En el Quag Vega aprende acerca de si misma, del pasado de su gente y de su incierto futuro. / Vega Jane was always told no one could leave the town of Wormwood. She was told there was nothing outside but the Quag, a wilderness filled with danger and death. And she believed it - until the night she stumbled across a secret that proved that everything she knew was a lie. Now just one thing stands between Vega Jane and freedom - the Quag.
