

The spirited Wylder sisters continue to scandalize the ton in Isabella Bradford's witty and winsome trilogy. This time, the most impulsive of the siblings meets her match: a charming rake determined to save her from an arranged marriage. The youngest of the Wylder girls and the last left unwed, Lady Diana is also the most willful, a trait that's leading her ever closer to dishonorable disaster. While her family's solution is a fast and excruciatingly respectable marriage, Diana can't imagine being wed to the very staid and dull Lord Crump. But while wedding plans are being made, a chance meeting at a gala turns Diana's world upside down. A kiss from a dazzling stranger gives Diana a most intimate introduction to one of the ton's most resolute and scandalous bachelors, the Duke of Sheffield. Torn between family duty and her heart's desire, Diana recklessly surrenders to the headiest of passions, recognizing that she has found a kindred soul in the handsome young duke. Soon it's clear that seduction is no longer the game: Something deep and lasting has come to bind their hearts, and the stakes are nothing less than true love. Sexy, funny, touching, and truly romantic. New York Times bestselling author Loretta Chase
