

Fueled by revenge, driven by need. This mating season wont go down easy. Rebel has one last thing to do before she can walk away from her life on Devils Point and the man she cant get out of her head. Find the shifter who hurt her sister. Shell have to work with Dante to make it happen and that might be the final straw that breaks her. Unless she can come up with an idea to get him out of her system. Like one night of no holds barred sex. Hot, dirty and thoroughly... Yeah, she definitely needs to get her mind out of the gutter. Dante thought he was waiting for his mate. Its what they were taught and what every wolf yearns for. But this mating season brought him a different kind of woman. Curvy, feisty and downright wicked. She is also not his true mate and everyone thinks he should let her go. Too bad shes under his skin and he doesnt know what to do about it. Well...he actually does have some ideas about that.
