

At last, a beautiful full color gorgeous compendium of the best of one of comic art's most beloved and revered artists! Kaluta was one of the noted members of the legendary Studio which included Jeff Jones, Barry Smith, and Bernie Wrightson. His career's highlights include a short but fondly remembered stint on the Shadow and doing covers for DC. He also worked with Elaine Lee on Starstruck for Marvel's Epic line. Illustrations, covers, sketches, work from his comics, they're all here taken from Kaluta's own vast portfolios. Presented like the best-selling Royo art books but in a beautiful jacketed hardcover and a deluxe signed and numbered edition.
