

A USA Today Bestselling Romance Novel by Priscilla West
Note: This is the beginning of Hunter & Lorries story. You DO NOT need to read any other books in The Forever Series before enjoying this one. There would be no happy ending for us. He was too damaged. I was too broken. Two years ago, Lorries mother was murdered. But that wasn't the end of it. Reeling from the tragedy, Lorries father spiraled into alcohol, depression, and finally suicide. The two most important people in Lorries life are both gone but she's still alive. Trying to recover from the tragedy, Lorrie returns to campus, ready to pick up the pieces of her life. All Lorrie wants is to get back to normal. Then she meets Hunter. The man, the legend, The Hammer. Hunter is a cage fighter who takes on every fight like he's got nothing to lose. His life is a tangled mess of girls, booze, and fist fights. And while it may seem like he's got a devil-may-care attitude, he's fighting a private cage-match with a monster he can't defeat. Lorrie knows that Hunter is exactly the type of guy she should stay away from, especially in her fragile state, but Hunter has other ideas. As Hunter and Lorrie grow closer together, will they be able to overcome their pain and heal each other? Or will they both end up wrecked?
