

This book is about Awareness, one of the 10 Core Competency of Effective Leadership and what it takes to become a more effective Leader and Follower tomorrow than you are today, thus becoming absolutely essential to any employer. In this book you'll find all the tactics, techniques, and tools employers expect you to know, but are not taught anywhere but here. This book will help you enhance your awareness, thus increasing your value added to any employer. Here you'll learn how to enhance your Awareness which includes self-awareness (includes what's going on inside you (your emotions, thoughts, feelings, intellect, instinct, and intuition)), your situational awareness (includes involves everything going on around you (other people, situations, things, places and circumstances and an awareness of your subordinates, peers and superiors, internal/external politics, social responsibility, community, and your external environment), and your spiritual awareness (includes the realization that there is a power greater than you that created you and everything around you); how to know what you really control and can therefore change, how to achieve Serenity and why it's important, the 2 most dangerous emotional roadblocks (Fear and Pride) and how to deal with them, the 7 most important truths about your Comfort Zone, how to better respond to emotions (includes the 5 best ways to respond to emotions (both your and theirs) and how to use Emotional Intelligence); how to use the Power of Your Mind (includes expectations, resistance, mistaken certainties, and how and why to use affirmations and visualization with examples); how to recognize and deal with your tolerations (includes the definition of a toleration, how you can tell if it's time for you to U-HALT, and how you can become more assertive); and finally, how to unlock your Spiritual Awareness (includes the Power of Desire, Forgiveness, Intuition, Commitment, and Prayer). If you're looking for a better way to enhance your professional career, this is the book for you. Stop wishing you had a better career and do something about it.
